

# Biographies

Marlene Belohoubek has been a bookkeeper and administrator in various industries for over 30 years. She was President/CEO of a real estate holding company for 25 years. Marlene derives great satisfaction watching the transformation in her clients as they are relieved of their burden of daily finances and paperwork. She feels privileged to share in their life stories.

Nora Berger worked in IT, specializing in financial accounting for Fortune 500 companies throughout her 23-year career. Born in Argentina, she is a citizen of the U.S. who fluently speaks

English and Spanish. Her experience with elder care comes from her 20+ years of responsibility for her parents' finances while they traveled; that's why she treats all her clients like extended family.
